Garden Plot Request Form 2018

Date:

Submission of a form does not imply successful registration for a garden plot. We will begin processing garden plot requests in the order that they are received and will notify successful candidates as soon as we are sure we have plots to offer. Generally the process begins in the first week of April, not before. Please be patient we will notify you as soon as possible after April 15th.

First time UWEX Gardener? Yes/ NO

If No, what year did you last garden?

I am interested in the following garden, and plot size.
 (Please number the garden location and size of plots in order of preference that interest you, 1, 2, 3 etc...)
 Keep in mind that some gardens have very few open plots.
